Career Objective

A skilled Frontend Web Developer specializing in the MERN stack (MongoDB, Express.js, React, Node.js). Experienced in building responsive and user-friendly web applications using modern tools like Tailwind CSS, Firebase, and Next.js. Passionate about learning new technologies and creating high-performance solutions.

Skills

- Frontend - React.js, JavaScript(ES6+), HTML5, CSS3, Tailwind, Daisy UI, React Router DOM, NEXT.js.
- Backend - Node.js, Express.js, MongoDB, API, JWT.
- Tools - Git, Github, VS Code, Netlify, Surge, Vercel, Firebase, Figma.
- Responsive Web Design
- Soft Skills - Fluency in English, Problem-Solving, Communication, Team Work, Collaboration, Time Management, Adaptability, Attention to Detail, Learning & Self Improvement.

Projects

❖ QuizMania (Team Project)

Next Js, Tailwind CSS, Next Auth, Node.js, Express.js, MongoDB, JWT.

Github : [Client](#) | [Server](#) || [Live Link](#)

Description: QUIZMANIA is an AI-powered quiz app that generates personalized, adaptive quizzes across diverse topics, tracks progress, and gamifies learning with badges, leaderboards, and real-time analytics.

My Contribution: I designed and developed the user and admin dashboards for QUIZMANIA, enabling quiz tracking, analytics, and user management. I also integrated NextAuth.js for secure authentication and role-based access control across both dashboards.

❖ Hostel Pro

React, Tailwind CSS, Firebase, Node.js, Express.js, MongoDB, JWT, Stripe.

Github : [Client](#) | [Server](#) || [Live Link](#)

Description: Hostel Pro is a MERN stack-based Hostel Management System that simplifies meal, review, and membership management, providing a seamless and efficient experience for university students.

Key Features : Responsive UI, Authentication, Meal Management, Premium Memberships, Upcoming Meals, Stripe Payments, Admin Dashboard, User Dashboard.

❖ Movie Portal

React, Firebase, NodeJs, React Router, MongoDB, ExpressJs, Tailwind, DaisyUI

Github : [Client](#) | [Server](#) || [Live Link](#)

Description: Explore, manage, and enjoy a curated collection of movies with ease on the Movie Portal. This platform offers an intuitive interface for adding, updating, favoriting, and discovering movies.

Key Features : Browse All Movies, Add Your Movies, Update Movie Details, My Favorites, User Authentication, 404 Page, Responsive Design.

Education

2021-2022

- ❖ Diploma in computer technology | Ahmad's Education.

Certifications

- ❖ Complete Web Development course by Programming Hero.

Languages

- ❖ **English:** Comfortable. **Bangla:** Native. **Arabic:** Comfortable.
